National
FABRY DISEASE
Foundation

#	Title (w/ link embedded)	Topic (Year)	Description
1	Fabry Disease Overview with Neurology Focus	Overview (2025)	Dr. Robert Hopkin provides an in-depth overview of Fabry disease to open the NFDF's 2025 Fabry Family Conference. The end of this presentation focuses on the nervous system.
2	Fabry Disease in Children	Overview (2024)	Dr. Robert Hopkin provides an overview of what is known about children with Fabry disease from the literature and his practice.
3	Studying Fabry Disease Symptoms in Very Young Children	Overview (2025)	Dawn Laney, MS, CGC presents data from The Fabry MOPPet Study: Prospective characterization of early symptom onset and progression in young pediatric patients with variants in the <i>GLA</i> gene across 5 years
4	Fabry Disease in Adults	Overview (2024)	Dr. Staci Kallish provides an overview of Fabry disease, focusing on symptoms and management in adulthood.
5	Optimizing Health and Wellness in Fabry disease	Overview (2025)	Dr. Staci Kallish presents strategies for "Staying Fab with Fabry disease"; how to manage your overall health AND your Fabry disease to live better, longer lives.
6	Fabry Disease (FD) Update	Overview (2020)	Dr. Robert Hopkin provides an overview of Fabry disease. Dr. Rob reviews signs and symptoms experienced over the lifetime of individuals with Fabry disease, with a focus on minimizing serious complications with treatment to increase lifespan and quality of life.
7	Fabry Disease (FD) Symptoms - Recognize And Rescue Everyone	Overview (2011)	Jerry Walter, president of the National Fabry Disease Foundation and Fabry patient, presents an illustrated overview of Fabry disease symptoms to increase recognition and diagnoses.
8	Fabry Disease and the Heart	Cardiology (2025)	Dr. John Jefferies provides an overview of cardiac symptoms in Fabry disease, focusing on monitoring and treatment.
9	Fabry Disease and the Heart	Cardiology (2024)	Dr. Kalra provides an overview of the cardiac symptoms of Fabry disease, focusing on the lifelong management of cardiac disease.
10	Fabry Disease (FD) and the Heart	Cardiology (2023)	Dr. John Jefferies provides an overview of cardiac symptoms in Fabry disease, focusing on monitoring and treatment.
11	Testing for Cardiac Involvement	Cardiology (2021)	Dr. Jefferies provides an overview of cardiac symptoms in Fabry disease, focusing on the tests suggested for symptomatic and asymptomatic individuals.
12	Heart Failure in Fabry Disease	Cardiology (2021)	Dr. Jefferies reviews the late stages of heart disease, called heart failure, that can be seen in advanced Fabry disease.

#	Title (w/ link embedded)	Topic (Year)	Description
13	FD Cardiology and Electrophysiology	Cardiology (2020)	Dr. Al-Khatib provides an overview of the physical and electrical heart problems in individuals with Fabry disease.
14	Fabry Disease: A Kidney Doctor's Perspective	Nephrology (2025)	Dr. Metha reviews kidney involvement in Fabry disease, detailing how the kidney functions at ideal health and at varying stages of chronic kidney disease over time and its management.
15	Fabry Disease and the Kidney	Nephrology (2024)	Dr. Metha reviews kidney involvement in Fabry disease, including assessing kidney function, therapeutic options, and long-term outcomes
16	Fabry Disease and the Kidney	Nephrology (2023)	Dr. Wallace provides information about kidney manifestations in Fabry disease, focusing on monitoring and treatment.
17	Renal Involvement in Fabry Disease	Nephrology (2021)	Dr. Wallace reviews kidney involvement experienced over the lifetime of individuals with Fabry disease and possible management options.
18	Adjunct Therapies for Kidney Health	Nephrology (2021)	Dr. Wallace reviews kidney involvement in Fabry disease and discusses kidney-directed therapies often used in addition to primary Fabry therapy.
19	Kidney and U	Nephrology (2020)	Dr. Rastogi provides an overview of kidney function and health in Fabry disease.
20	FD Overview: Focus on Neurology	Neurology (2023)	Dr. Hopkin provides an in-depth overview of Fabry disease, focusing on the nervous system.
21	Fabry and the Nervous System	Neurology (2024)	Dr. Nicolas Abreu provides a comprehensive review of nervous system involvement in Fabry disease, including stroke risk, cognition and mood, neuropathy and pain, abnormal sweating, and hearing.
22	Understanding Fabry Pain	Neurology (2021)	Dr. Lawson provides an overview of how small fiber neuropathy in Fabry disease causes symptoms of pain across the lifetime.
23	Cerebrovascular Involvement in FD	Neurology (2021)	Dr. Lau reviews how Fabry disease affects the blood flow and blood vessels in the brain, leading to a risk of TIA and stroke.
24	Effects of FD on the Nervous System	Neurology (2020)	Dr. Lau reviews how Fabry disease affects the nervous system and provides management recommendations to manage the risk of neurological symptoms.
25	Gastrointestinal Upset in FD	Gastro (2021)	Dr. Zar-Kessler reviews gastrointestinal symptoms experienced over the lifetime of individuals with Fabry disease and possible management options.
26	Nutritional Interventions in FD	Gastro (2021)	Dr. Zar-Kessler reviews what is known about dietary considerations and nutritional interventions for GI symptoms in Fabry Disease.
27	Gastroenterology Involvement in FD	Gastro (2020)	Dr. Zar-Kessler provides an overview of the digestive system involvement in Fabry disease.
28	Females with Fabry Disease	Women (2021)	Learn about how females with Fabry disease experience symptoms over their lifetime with a review of data from peer-reviewed publications.

#	Title (w/ link embedded)	Topic (Year)	Description
29	FD in Women - MythBusters	Women (2023)	Learn about common misconceptions regarding females and Fabry disease, presented in the fun "Mythbusters" format.
30	Family Planning Options	Family (2025)	Kristin Paulyson Nuñez, MS, CGC provides an overview of family planning options available to individuals with Fabry disease.
31	Pulmonary Involvement in FD	Lungs (2021)	Dr. Skloot reviews what is known about pulmonary (lung) function in Fabry disease.
32	Eye Involvement in Fabry Disease	Eyes (2021)	Dr. Michaud provides information about eye involvement in Fabry disease.
33	Lymphedema in Fabry Disease	Edema (2021)	Dr. Hopkin provides an in-depth overview of lymphedema, commonly seen in the lower legs, ankles, and feet.
34	Anxiety and Depression with FD	Psychology (2021)	Dr. Ali reviews what is known about stress, anxiety, and depression with Fabry disease.
35	Fabry Disease (FD) Inheritance	Genetics (2012)	Jerry Walter, president of the National Fabry Disease Foundation and Fabry patient, presents an illustrated overview of Fabry disease inheritance.
36	GB3 and Lyso-GB3 in FD	Biomarkers (2023)	Dr. Albinia Nowak presents via Zoom to provide an overview of important biomarkers to monitor in individuals with Fabry disease.
37	Fabry Disease Infusion Reactions	Treatment (2021)	Dr. Hopkin reviews treatment with enzyme replacement therapy and the incidence and management of infusion-related reactions.
38	Cell Therapy with Glafabra	Treatment (2025)	Chris Hopkins, PhD, CEO of Glafabra Therapeutics provides an overview of cell therapy for Fabry disease and summarizes the results of the Canadian Facts trial.
39	Chaperone Therapy for FD	Treatment (2021)	Dr. Ganesh provides information about oral chaperone therapy available to treat some individuals with Fabry disease.
40	An Update on Gene Therapy	Treatment (2021)	Dr. Hopkin provides an overview of gene therapy and reviews ongoing clinical trials.
41	Sangamo ST-920 Update	Treatment (2025)	Dr. Sandy Macrae provides an update about Sangamo's gene therapy candidate, called ST-920.
42	Fabry Disease and Covid-19	COVID (2021)	Dr. Lau provides an update regarding what is known about COVID and Fabry disease.
43	Fabry Disease and the Pandemic	COVID (2020)	Dawn Laney, CGC provides an overview about what is known thus far about COVID and Fabry disease.
44	FD Psychology Update: Pandemic	COVID (2020)	Dr. Ali provides guidance for taking care of ourselves during the global pandemic.

#	Title (w/ link embedded)	Topic (Year)	Description
45	Physician Panel (2025 conference)	Q & A (2025)	Dr. Robert Hopkin, Dr. Staci Kallish, and Dr. Ankit Mehta answered audience questions at the 2025 Fabry Family Conference.
46	Physician Panel (2024 conference)	Q & A (2024)	Dr. Abreu, Dr. Mehta, Dr. Kallish, and Dr. Kalra answered audience questions at the 2024 Fabry Family Conference.
47	NFDF Family Assistance (KGA)	Support (2023)	NFDF Family Assistance Program in partnership with KGA provides valuable psychosocial resources available free of charge for individuals with Fabry disease and their family members.
48	TAF Financial Assistance	Support (2023)	Learn about The Assistance Fund program that supports financial needs of individuals with Fabry disease.
49	PAN Financial Assistance	Support (2023)	Learn about the PAN Foundation program that supports financial needs of individuals with Fabry disease.
50	Accessia Financial Assistance	Support (2023)	Learn about the Accessia Health program that supports financial needs of individuals with Fabry disease.
51	AKF Financial Assistance	Support (2023)	Learn about the American Kidney Fund program that supports financial needs of individuals with Fabry disease who are on dialysis or post kidney transplant.
52	NORD Financial Assistance	Support (2024)	Learn about the NORD (National Organization for Rare Disorders) program that supports financial needs of individuals with Fabry disease.
53	Psychosocial Aspects of FD	Support (2024)	Stacey Feuer, PsyD reviews what is known about the psychosocial aspects of living with lysosomal storage disorders including common concerns and provides strategies to increase quality of life.
54	NFDF Family Assistance Program	Support (2024)	Learn about the NFDF Family Assistance Program with KGA. This free program provides valuable psychosocial support and referrals as well as assistance with financial, legal, work, and family life.
55	Mindfully Rare Resources	Support (2024)	Mindfully Rare is a resource developed by with Chiesi and the National Alliance of Mental Illness (NAMI) to support the mental health of individuals with Fabry disease and their caregivers.
56	Chiesi's Patient Programs (TBD)	Support (2025)	Learn about Chiesi's total care program and other patient resources as presented by Mike Clavadetscher, Lead Case Manager.
57	Sanofi's Patient Programs	Support (2024)	Learn about Sanofi's Care Connect Patient Support Services and other patient resources as presented by Joanie Vignovich, Patient Education Liason.
58	Amicus' Patient Programs	Support (2024)	Learn about the Amicus Assist program and other patient resources as presented by Susan Flynn, Patient Education Liason.
59	10 Things about Clinical Trials	Support (2020)	Learn about what it's like to participate in a clinical trial, as presented by Sangamo.
60	Is Home Infusion Right for You?	Support (2020)	Learn about the home infusion process, as presented by Diplomat Specialty Infusion Group.

#	Title (w/ link embedded)	Topic (Year)	Description
61	Data Registry Services	Support (2020)	Learn about the Fabry Registry hosted by Data Registry Services, LLC.
62	Understanding 504 Plans	Support (2025)	Katherine Graves, a teacher with 20 years of experience, provides a practical overview of 504 plans in school as mother to a child with Fabry disease, and a person living with Fabry disease herself.
63	504 Plans in School	Support (2024)	As part of a patient panel, Katherine Graves provides an overview of 504 education plans, outlines steps in the process, and gives advice for advocating for your child.
64	Amicus Champion Panel	Community (2025)	A panel of three Fabry disease champions moderated by Sherrita Dorsey, US Head of Patient & Professional Advocacy.
65	Angiokeratomas - Check Your Bs	Community (2024)	Watch the short awareness video created by Jerry Walter, president of the National Fabry Disease Foundation and Fabry patient.
66	NFDF's annual conference & camp	Community (2023)	Listen to what some of our attendees have to say about the NFDF's annual conference and camp.
67	October 2022 Fabry Family Camp	Community (2024)	See behind the scenes of the NFDF's Fabry Family Camp at Victory Junction in 2022.
68	Rare Disease Update from Sanofi	Community (2023)	Duane Clarke, General Manager of US Rare Disease at Sanofi reflects on the state of rare disease treatment.
69	Fabry Disease from the NFDF	Community (2015)	Watch the short awareness video created by Jerry Walter, president of the National Fabry Disease Foundation and Fabry patient.
70	The Faces of Fabry Disease	Community (2015)	Individuals with Fabry disease list it many symptoms and share their personal/family stories.
71	Fabry - Please Take Us Seriously	Community (2015)	Teenagers with Fabry disease share what they want you to know about this rare genetic disorder.
